

## *Greater Cleveland Fisher House*

### **American Legion Post #407**

49 Black Drive  
Doylestown, Ohio 44230

Thomas G. Sweeney, Chairman  
Greater Cleveland Fisher House

Dear Members, Families, Friends:

Each and all of you are among that rarified breed that makes up the finest, most welcoming people on the planet. Your individual generosity and organizational commitment to facilitating, supplying and serving our outreach for the Greater Cleveland Fisher House is the stuff of American legend. Our thanks is profound.

On behalf of the Fisher Foundation, our military veterans and their families I thank you for your openness, warmth and support. Once it is built the Greater Cleveland Fisher House will join the fifty-four already in operation giving the families of wounded, rehabilitating and stricken soldiers, sailors, marines, aviators and coast guardsmen the opportunity to be there with and for their veterans as they undergo treatment and heal. Families will live in the Greater Cleveland Fisher House as their veteran does what is necessary to go on living...after serving.

It will be because of you that the medical community, working in concert with families at our Fisher House, can provide the finest care to give our veterans the best quality of life achievable as they cope with life after service and war.

For all you do, I thank you. For all future support, I thank you, as well.

As American Legion Post #407 - you are clearly superior. As the people who are members, families and friends of Post #407 – you are its heart and soul and the Commander who truly was at the helm from start to finish, Tom Janas.

*Tom Sweeney* 440 667-9315
