

ALCON,

One of our Ohio Brothers Mike 'B-Rock' Brock and his wife 'Ginger' were involved in a serious motorcycle accident while returning home from the Run to the Ohio Vietnam Veterans Memorial on July 16th. Both B-Rock and Ginger were life-flighted to local hospitals. B-Rock had severe damage to his leg from the impact. Doctors were able to save his leg only after an 8 hour surgery. His lower leg is now attached by titanium rods and pins. But, the damage to his leg was so severe that the doctors had a hard time closing the lower leg due to the size of the wounds. So, he will require multiple skin grafts to close the wounds completely.

Ginger underwent surgery to repair her damaged arm and wrist. Both will be down while recovering for several months. B-Rock and Ginger' two beautiful young children, Liam and Kylie, are being taken care of by 'Pops & Boomer', B-Rocks Father and Brother. Both of which are also CVMA Members here in Ohio.

Both B-Rock and Ginger will have several return hospital visits before they have fully recovered. With their ever growing medical bills and the loss of work, they are suffering more than personal injuries. The Ohio Chapter is stepping up to the plate and helping them out as best we can. But, this is much more than the Brock Family or The Ohio Chapter can handle on short notice.

Our CVMA Motto is 'Vets helping Vets', Well it's time to help one of our own during this financial crisis. The family has set up a Brock Family Fund at Chase Bank. The Ohio CVMA Chapter and The Run to The Ohio Wall Organization has already begun to send donations. CVMA Members, Their families or friends that would like to help donate to this fund can go into any Chase Bank and donate directly to the Brock Family Fund. Or, we have also set up a PayPal account so anyone who does not have local Chase Banks can still show their support by donating online. This allows our Brothers and Sister from across the Country to help donate also.

Mike & Ginger will be out of work for months on end. They need our help, and I have never once seen a Brother Down that we didn't help pick back up. I am sending the Bank Account Info for The Brock Family Fund and Paypay information. If you can donate any amount to help out the Brock Family it will be appreciated more than you will ever know. With our Google FM link between Chapters around the country we should be able to help the Brock' out with a simple click of the mouse. If you do not have a paypal account or Chase Bank near by you can mail any donations to the Brocks directly.
