March 29th
to be America's

**VIETNAM
VETERANS
DAY**

Brothers Forever
across the generations

**** Help deliver our nation's long overdue tribute ****

*To the fallen of the Vietnam War and their families,
To those who served and came back with the
emotional and physical scars of battle
and the loving families who cared for them,
To bring serenity to all who were touched by that war*

*A deserved remembrance earned with great sacrifice,
will remind our country's leaders and citizens
to never abandon its defenders, to honor
and care for those who served into perpetuity*

**** Vietnam Veterans Motto ****

Of Veterans Abandon Another***
